

How to get to Stanhope Neighbourhood Office

Moat's Stanhope Neighbourhood office is easily reached by public transport from Ashford Station and surrounding area. We encourage visitors to take advantage of this as part of our green travel plan. If you have any mobility difficulties in using public transport please contact the person you are visiting at Moat.

Bus number 1A stops at 'The Nelson' bus stop on the estate. You then walk towards the centre of the estate and the neighbourhood office is on your right. The 1A bus stops in both Ashford town and at the train station.

Ashford train station is easily accessible from London. Trains take approx 1 hour from the center of London.

The typical domestic off-peak service from the station is:

- 4tph (trains per hour) to London Charing Cross, which run via Sevenoaks
- 1tph to London Cannon Street via Maidstone East
- 1tph to London Victoria via Maidstone East
- 2tph to Dover Priory of which one continues to Ramsgate

- 3tph to Canterbury West, of which two continue to Ramsgate and one of those continues to Margate
- 1tph to Brighton via the Marshlink Line

If driving Ashford is located in the South East Kent just off Junction 9 of the M20. If traveling from the M25 Dartford Crossing, leave the M25 at junction 3 signposted M20 Channel Tunnel/Maidstone. Continue to Junction 9 approx 45 minutes drive. Leave the motorway at Junction 9 at take the 3rd exit onto Fougères Way -A20- signposted Ashford. At the next roundabout take the 3rd exit onto Chart Road – A28- signposted Tenterden. Take the 1st exit at the next roundabout onto Brookfield Road B2229. Turn right onto Knoll Lane and then right onto Stanhope Road. Turn left onto Otterden Close, (it is the 2nd entrance to Otterden Close, by the shops) and the neighbourhood office is on your right.
