Valuation and fees

To ascertain the premium payable to Moat in order to extend the lease, a specialist valuation must be undertaken for your property. This needs to be carried out by a surveyor who deals with lease extensions (not all surveying companies offer this service). Once we receive your application form we will contact you advise how to pay our administration fee of £240. When this has been received we will instruct your chosen surveyor who will contact you directly to make an appointment to visit your home; you will need to pay their fee to them directly when they contact you. Please note that fees are not refundable.

Please refer to the panel of surveyors for lease extensions (which can be found within the Homeowner's Handbook on our website). Check the area that each company covers, and indicate below which surveyor you would like us to instruct:

MAP Surveyors

McDowalls Surveyors

Mirus Surveyors

Copeland Yussuf Surveyors

Once we are in receipt of the valuation, we will write to you confirming the lease extension premium. You will be required to confirm your acceptance of the premium and provide us with the details of the solicitors who will be acting on your behalf in this transaction. We will instruct our solicitors to liaise directly with yours, to facilitate completion of the lease extension.

Please note that you will be required to pay our solicitors fee for their work involved in this process; this fee (to be confirmed) is payable via your solicitors, on completion of the transaction.

Each leaseholder should sign below to confirm that they wish to extend the lease, and agree to the terms as set out in this application form.
